1. book semester base fee
2. choose course
3. fill in registration form
4. receive registration confirmation
5. pay course fee

You can find the detailed description here:

<https://www.sport.kit.edu/hochschulsport/english/registration-procedure.php>

HSP-NEWSLETTER SUMMER SEMESTER 2022

Due to the large number of interested participants, it can always happen that the course capacities are quickly exhausted. For this reason, the University Sports Department offers additional opportunities to become active in sports.

walk-in - Center for Fitness, Health and Diagnostics

Our fitness studio includes offers for individual strength and endurance training on state-of-the-art fitness equipment under professional guidance, including comprehensive initial diagnostics, an extensive range of courses, as well as sauna and swimming pool use. All information here:

<https://www.sport.kit.edu/hochschulsport/english/walkin.php>

or our sports partner exchange
