

Hygienekonzept walk-in INDOOR

Was muss beachtet werden?

Currently, the following restrictions (to which we are obliged by law) still apply to the training operation:

- 3G-regulation (recovered, vaccinated, tested WITH proof) as of 16.08.2021
- Mask obligation up to the training equipment (It must be carried thus always, if itself not sporty one - for example with the change of the devices - a mask)
- There is no limitation of persons in the walk-in
- The walk-in locker rooms and showers in building 40.44 are open. Please refer to the notices on the locker room doors.
- The swimming pool is open (3G regulation)
- The sauna remains closed
- 1.5m minimum distance as well as the disinfection of the equipment after use

Status: 16.08.2021
