THE SWIM TEAM OF THE  
KARLSRUHE INSTITUTE OF TECHNOLOGY  
WOULD LIKE TO INVITE YOU TO THE  
17<sup>TH</sup> FRIDERICIANA SPRINTNACHT  
ON FRIDAY, THE 30/11/2018!

This year there is going to be a sprint format for the 50m freestyle and 50m butterfly competitions which will consist of preliminaries, quarterfinals, semi-finals and finals. The eight fastest swimmers from the preliminaries qualify for the quarterfinals where two swimmers go on to compete in knockout quarter-, semi- and grand Finals. The winner from each race qualifies for the next round.

There will also be a 100m individual medley final which is for the five best swimmers from the preliminaries.

The 6x50m freestyle and 4x50m individual medley relay (mixed - at least 2 women) will follow the usual competition format. There will be prizes for the winners of each competition.

As your hosts we will be offering sandwiches, pies and beverages during the competition and serving an evening meal after the competition. Believe us - you will need the refreshments for our legendary party afterwards...

We have reserved the gym for you to sleep in, so please remember to bring your sleeping bags and camping mats. We will also provide a breakfast on Saturday morning to mark the end of the event.
